Highlights of the Deliberations:

The highlights of the Google Meet were that most of the Alumni are in well-placed positions. According to RD, Imphal, some of them are in high positions in Universities and that some are even in the exalted post of VC. One alumni, viz., Khundrakpam Anita Devi, mentioned that after passing B.Sc. Nursing from IGNOU, she studied for her Masters in a conventional university and that now she is a Faculty Member in Mental Health. RD, Kohima also mentioned that many alumni have become upwardly mobile. One alumnus mentioned candidly that he was an addict, because of which he was not welcome in mainstream Colleges, except for IGNOU, which was the light at the end of the tunnel, for him. One alumnus by the name of George Antony mentioned that as Principal of a School, he could not have attended a conventional university, till IGNOU came to his rescue.

RD, Shillong invited as the first Speaker, Mr. Evarist Myrsing who has passed MSW and is Senior Academic Mentor of the Bharti Foundation of Gurugram, whose aim is to "Educate, Energise and Empower". Like his employers, Mr. Myrsing himself is not only educated, he is energetic and has empowered himself by overcoming the barriers of lack of access to higher education in his village and the poverty of the family into which he was born. He has fulfilled the mission of Bharti Foundation, by transforming himself, after realising his potential, inspite of being underprivileged in a village. Another Speaker from Shillong was Dr. Bobby Mahanta, who is now a Principal of a College in a remote part of West Bengal. The RD-Shillong also mentioned about Dahun Shisha Lyngdoh, who studied in a Delhi Study Centre while working with Google in Delhi and then came back to her home state Meghalaya, appeared for the MCS and topped in the results and is now working as Extra Assistant Commissioner (EAC), the first post of Class I Civil Servants at State Level after undergoing rigorous training for months. She also mentioned about Manikandeswaran who began his MBA under Shillong RC, about twenty years ago, completed the same in Chennai RC and is now a Counsellor and Evaluator of IGNOU.

The Hon'ble VC expressed his gladness that in each Alumni Meet, he has felt enthusiasm among the Alumnae and heard of unique success stories. The Director-RSD mentioned that this is just the beginning and there will be many more Alumnae participation in the future and more is to be known of the potential of IGNOU Alumnae. Director-CPC invited the Alumnae to start registering in the portal and many did during the course of the meeting. He expects more registrations with the passage of time and that the IGNOU Alumnae can contribute to Nation-Building, through deliberations. Dr. Hema Pant, Adll. Director of RSD, commented that she has attended so many meetings and that she has observed the unity in diversity of the Alumnae, throughout the length and breadth of the country, and that each RC has variety of alumnae.

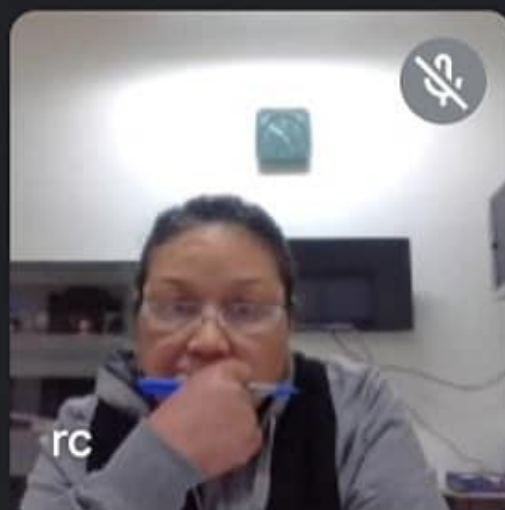

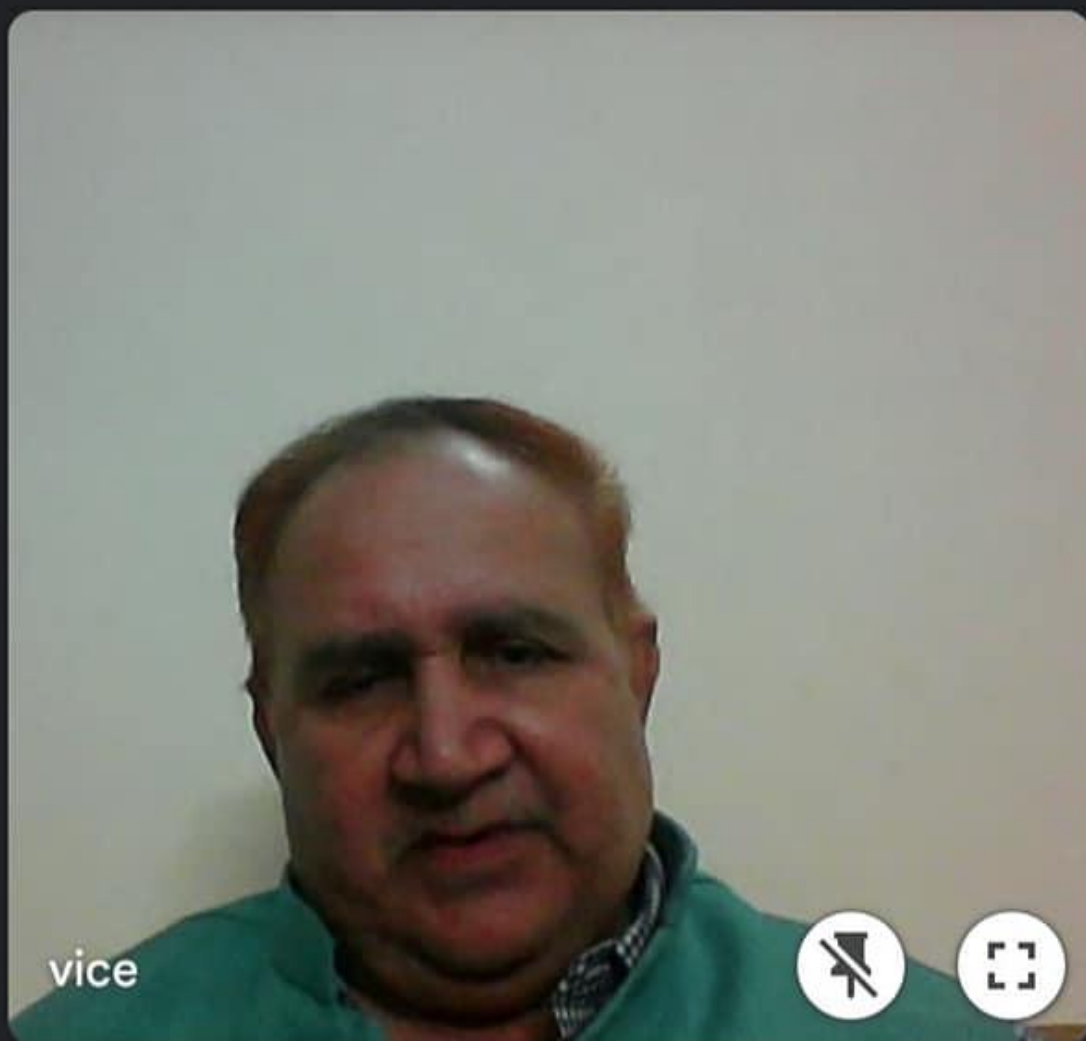

Dr. Lalchharliani, ARD, Shillong RC gave the Vote of Thanks, after 6 p.m.
